est, safety considered, than improved Salt Lake realty?

Take for instance:

Will not cost you more than 10 cents car fare to examine the house located on the corner 3rd avenue and U street. The lot is 4x7 rods, sewer and sidewalk taxes paid. The house has 8 large rooms, besides 4 finished rooms in the basement. The wood downstairs is birch and maple. No better finished or arranged house in this city for sale. Will make reasonable terms. Price, \$11,000.

The owner of 76 S street wants me to sell her place quickly. The lot is 22x7 rods to alley. The house has 7 rooms, percelain bath, etc. This is actually the best house for the money on the market, but if you think \$4900 is too much for it make me an offer.

Another party, owning the property at No. 911 3rd avenue, has given me instructions to sell it at once. I built this house and sold it one year ago. I know it is the best-constructed 6-room modern brick in the city for the price asked. Look it over. You will find key over window on back porch. The price, \$5500, and can atrange good terms.

Ten more lots left on 6th South, bet, 11th and 12th East. Prices ranging from \$500 to \$750. I have to get rid of them quickly and can make very reasonable terms.

On West 3rd South, the lot 30x145 feet to alley buff pressed brick, shingled gables, walls 13 inches thick, no adoles, parlor dining room and kitchen, hall and stairway, pantry entry, back screened porch, 3 rooms upstairs, hall, bath and linen closet, 2 closets to each bedroom, excellent grate in parlor; parlor finished in Georgia pine natural grain, house has cut stone foundation and stands 45 feet above sidewalk. You can buy this house for less than it cost to build. The price, \$2750, and can arrange terms.

These are only a few of the many choice properties on my books. I in-vite you to call at my office and get a list. I can suit you in any kind of a plece of real estate, improved or unim-proved, you may want, and you will save money if you look me up.
